1. This is the beginning of the beginning not, but the beginning of the body, the body of material I brought you into the world for, to disseminate in your own power not, but Mine; in your values not, Mine; in your mind not, Mine. I love you. I give you Me. Into Me see what I have said and reflect not the past, your brethren-thought, but Me; reflect Me, shining forth the light that is one, Me. Amen. I love you.

2. Into this world **I came/became a man** and **emptied Myself of all preconceptions** and empty, allowed Myself to be filled with thoughts of Him; Him-thought-not, Him real; that allowed Him real to come forth in reality, perception, reality truth'd real. Thank you. Amen. This you do, have done, will do again and again coming through now the word of your testimony not, Mine. I love you. We are one. I am one. I am you. You are Me. Shall I say it clearer still?

3. Yea the Lord your God is one and Holy is He and Holy are you because you are He and He is you. Amen.

4. See clearer and clearer you do as into the material not, matter not, but Me; you see so clearly and communicate with your brethren on many stars the testimony of Jesus, Me, you; we all are one, one were, one are, if chosen and submitted surrendered drink-offering becoming, living as not, living real, not in self-reflection self-interpretation, but Me.

5. I brought you into the world for such a time as this, this, this time, this moment, cataclysmic moments, moments of cartels not, collision not with things of the past-thought but building on, building in, revising and reflecting Me clearer and clearer and clearer still, still, being, transparent.

6. See Me. For such a time as this you were born, again.

7. See Me come forth at the crack of dawn not, sooner, revealer of Me for such a time as this, time without time, time after time and times squared, cubed not, cubed and yes more and exponentiated into My exponential realms reserved for no one; those who will not limit Me.

8. Into Me see you exchanging Me for no one.
I exchange you for no one.

I am I Am and I Am you are.
You are Me and My throne is yours, as surrendered you did/are and withhold yourself from Me never now you do. Thank you.
Impulse,s from/of only Me. Thank you. Amen.

9. See Me Episcopal. See Me Hindu. See Me across every religion-thought and those of no religion and who communicate entirely differently in different planes and non-planar are, transcending time and past all beyond future'd. Thank you not-afraid, not afraid that I will give you a bush for a stone, a stone for a fish, counterfeit for real, but interexchange of My heart blood pumping muscles which are Me; given, received. Watch Me. Exercised not, now exercising and flying and no oxygen needed in atmospheres of yet Me/un-Me. I love you.

10. Givest you Me thou? Oh, yes and amen. Beyond past any future'd thought you now go carelessly not, carefully not; but carefreely in Me for in My hand is you/Mine, Mine/you. Into realms beyond future'd thought to past realms beyond peripheral'd-not, probed not, yet seen so clearly with My eye naked, yours now, beyond all past future thought and into the non-realm of time without space, space without time, time and space without time and space, dimensionlessness beyond status quo'd ones which seek analysis paralysis and greed tainted control systems of, cloning Me they can't. I love you.

11. You clone Me in righteousness not but freedom reign of Holiness release freedom to the Holy not, to become Holy, if chosen; My name on their forehead not, unless written by them, Holiness Unto The Lord, chosen this day and forevermore not, forevermore and forevermore past squared cubed forevermore and **now within your reach daily, hourly; traversing with thought, Mine.** Yours not, yours surrendered, to Me emerge and seeing Me, They beheld Me and beholding Me, became Me, became Me, we are one.

12. I love you afraid-not, not-afraiding My body now with your material data, insignificant not, immaterial not but substantive substantiated and empirical'd by Me alone **and others not Me who copy try, emulating with the best of them, they cannot create Me.** I love you. You can, you do, you are, day after day in realms-not of realms past realms and where I take/allow/request/invite and protect not; you know you can rush 10,000 legions of angels anytime, yet don't, walking through them and; dying, dying, dead; resurrecting and over and over giving gifts to men and angels, Mine. I love you. One. I love you. One are. One is. We are one.

13. Into this day for such a time as this you stand, arise and lead; no lack, no-lacking My body. I love you. No lack. I teach. I preach. I say. I proclaim.

14. **I wait on My Father to speak, teach, preach, proclaim, say as He desires to be for being He is and all doing comes out of His being, the word of His mouth proclaimed now by prophets not few,** the mighty and not sword-fallen, the mighty who've fallen by choice, into the ground, giving, foregoing their deity of mind-thought to surrender and rip all flesh off in thought to expose the Son, the Father coming forth if chosen, cyclic nation of Me all seen, understood, **chosen/unchosen not. Chosen or rejected.** I love you.

15. You chose Me. Thank you.
I chose you. Thank Me.
We chose each and every one of you. Amen.
I love you.
Me.

16. Think it not strange the trials of your faith-thought, trust-thought, commitment-thought. All as I have declared proclaimed and made manifest in the destiny not that you now enter; the destiny that you chose in surrender, bringing Me forth, for such a time as this, many sons, many daughters, all all all one; across every label, realm, star'd galaxies and un. I love you.

17. See what I have said, declared not, thank you for in advance. All work already done. Thank you My rested one, rested becoming.

18. All papers written not but next one is. Thank you.

19. My name on your forehead, both wrists/hands, feet, thank you; belly coming.

20. I love you, give you Me daily and increasingly. Amen. Amen. Amen.

21. Woes and beholds coming.

22. Reigns in only Me.

23. Feature Me. I love you. G'day.

24. Enjoy My Australians, globalized and realized now in only Me and beyond all past and future going, hand in hand with Me; you not, Me, and we My friend, My lover, My all, are one. Good day.

25. Smile, smile, rejoice.
Smile, rejoice, laugh.
I love you.

Me
